- The North Carolina Scratch Rule will be in effect for these meets. For example:
204.3. INDIVIDUAL SCRATCH RULE - Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet information shall specify all mandatory check-in and scratch deadlines and procedures.
- 204.3.2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless he notifies the clerk of course before the seeding for that event has begun that he wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet information states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 yards or longer may be closed for seeding up to twenty four (24)

hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet information.

204.3.4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:

A The Referee is notified in the event of illness or injury and accepts the proof thereof.

B The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.

C It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

Events:

All events will be deck seeded. Positive check-in for those events will be required and will close 30 minutes after the start of warm-ups. Swimmers who do not check in by the deadline will be scratched and not seeded in the event.

Each swimmer in the 400 IM, 500 Free, 1000 Free and 1650 Free must provide their own counter and timer.

Competition Courses:

All sessions will be swum in either an 8-lane or a 10-lane competition course. Meet management reserves the right to conduct a given meet/session in either course as necessary to best serve the athletes, officials, and families and comply with timeline constraints.

Timeline and Meet Entry Constraints:

Meet Management reserves the right to combine events as needed and reserves the right to limit the number of heats in any event as well as the right to limit overall entries in order to maintain reasonable and allowable timelines.

Unqualified Entries:

It is an infraction for NCS clubs to enter athletes in an event in an NCS sanctioned meet without the relay or swimmer meeting the minimum required qualifying time for that event. Any such unqualified entries, those that do not meet the stated time standards, may be subject to protest and/or a fine from NC Swimming. Unqualified entries identified prior to the start of the meet will be scratched without refund. An unqualified entry is defined as an entry for an event with a qualifying time standard that can not be substantiated by results available in the USA Swimming database at the time of the meet entry deadline.

Safety:

The NCS Safety Program is in effect for this meet. Coaches are advised to closely supervise their swimmers at all times. **NO running or horseplay will be tolerated. NO blocking of fire exits, which includes doors and passages.**

Access to the pool deck is restricted to athletes, credentialed coaches and officials, pool staff, and meet volunteers only. No other individuals will be allowed on the pool deck during warm-ups or competition.

Eligibility:

General:

All athletes must be registered with USA Swimming, Inc. Registrations will be checked according to NCS rules. Out-of-LSC clubs must submit an official copy of their roster along with their entries.

All events are subject to the following time standards.

200 Yard Events - Must have achieved 3:30 or better for the stroke.

400yd IM – Must have achieved 3:30 or better in 200yd IM
500yd Free – Must have achieved 3:15 in the 200yd Free
1000yd Free – Must have achieved 3:00 in the 200yd Free
1650yd Free- Must have achieved 2:45 in the 200yd Free

Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Raleigh Swimming Association, Inc. welcomes all swimmers with disabilities as described in the USA Swimming Rules & Regulations, Article 105, to participate in our meets. Coaches entering swimmers with disabilities that require any accommodations are required to provide advance notice in writing to the Meet Director by the entry deadline accompanying their meet entry file, including the need for any personal assistants required and/or registered service animals. Failure to provide advance notice may limit RSA's ability to accommodate all requests

Entries:

General:

All entries should be submitted in Hy-tek format, and will be matched to the appropriate event by the event number. Entries may be submitted via email. However hard copies of each entry, showing the swimmers' ages as of October 31, 2010 must be included in the normal post delivery along with the summary sheet, team checklist and payment. Teams are encouraged to contact the Meet Director as soon as possible with an estimate of the number of athletes they intend to enter if they plan to participate in this event and to submit their entries as soon as possible to ensure their participation in the meet. **All final entry information must be received by 5 p.m. on Wednesday October 20, 2010.**

Teams will be required to resubmit their entire corrected meet entry file to resolve any meet entry issues as the meet staff does not have the capacity to correct entries for individual swimmers or events. If meet entries must be limited, they will be accepted in the order in which final and completely correct entry files and complete payment of all entry fees are received until the meet capacity is reached.

Teams will be notified upon receipt of their entries. Note that this does not imply acceptance, which will be determined after all entries are received and the preliminary session timelines can be fully evaluated to determine meet capacity. Notification of any entries that can not be accepted will be made as soon as possible.

There will be no "ON DECK" registrations accepted. **Swimmers whose registration can not be confirmed by 6:00 p.m. Saturday, October 30, 2010 will not be allowed to swim in the meet, and their entry fees will not be refunded.**

'NO TIME' entries WILL NOT be accepted for this meet. Swimmers with NT events should be entered with their estimated times. Any NT entries will be scratched, and entry fees will not be refunded. Note however that estimated times should NOT be used to 'qualify' swimmers for an event where there is a minimum time standard as that is an infraction of NCS By-Laws and may be scratched without refund or subject to protest and/or a fine (see above).

Entry Limit:

Swimmers are limited to three (3) individual events.

Entry Deadline:

Teams are encouraged to submit their entries early to insure that they get into the meet before it fills up. Entries will close the earlier of:

- (a) **5:00 p.m. Wednesday October 20, 2010** or
- (b) when the sessions reach an estimated 4 hours in length.

Swimmers will be entered into the meet in the order entries are received as long as entry fees are received by Wednesday, October 20, 2010. A completed entry summary sheet should be included with the payment. Teams with unpaid entry fees on Tuesday evening, will drop to the bottom of the list, potentially removing them from the meet if we need to turn away entries to stay within the 4 hour rule.

Telephone entries and fax entries will not be accepted. Entries will be time-stamped upon receipt in the event that we are unable to accommodate all teams and need to limit entries. Late entries may be accepted at the discretion of the Meet Director but will be charged double entry fees. As the meet capacity is met, teams will be notified by telephone or email if their entries cannot be accommodated, and entry fees will be refunded. **NO OTHER REFUNDS WILL BE MADE.**
