Format: This meet will be conducted in accordance with current USA Swimming Technical Rules, National YMCA Championship Meet Rules, and Rules that Govern YMCA Competitive Sports.

- 1) All events will be conducted as timed finals.
- 2) All events will be pre-seeded except for the 500 free, 1650 free and 400 IM. A positive check-in will be required for each of these events. **Failure to compete in an event that has been positively checked-in will result in the individual swimmer being disqualified from his or her next individual event.** No penalty shall apply for failure to compete in a positive check-in individual event if (1) the Referee is notified of an illness or injury and accepts proof thereof, or (2) the failure to compete is caused by circumstances beyond control of the swimmer. A declared false start will count as participation in the event. **The North Carolina Scratch Rule will be in effect for this meet.**
- 3) The Meet Referee reserves the right to combine heats for any event.
- 4) Positive check-in events will be swum fastest to slowest, alternating girls and boys.
- 5) 6 & Under and 8 & Under events only will report to clerk of course. All other events will report directly to the blocks.
- 6) Times will be reported to USA Swimming. *****Note: Please indicate which swimmers on your team are NOT registered with USA Swimming. Include this list with your entries. This is necessary for reporting times to USA Swimming. The easiest method is to go into your Team Manager program and, for each non-USA Swimming registered swimmer, delete the swimmer ID number that Hy-Tek automatically generates.*****
