

Hello North Carolina Senior Swimmers & Parents,

As you probably noticed, **Impact Athletic Media** photographers were on hand for the North Carolina Short Course Senior State Championship (February 14<sup>th</sup> – 18<sup>th</sup>), photographing swimmers on Friday & Saturday.

More than 1,000 photos of the swimmers competing in the lanes as well as Medal Stand Awards are now available for viewing & purchase from the NC SC Senior State Championship. To access the photos, please go to:

<http://www.printroom.com/pro/impact>

To find the photos, click on the Galleries link on the top left-hand side of the page, just below the Impact logo. The photos have been arranged by session and event to make them easy to find. Please look through the galleries carefully. **(Because we had two photographers shooting, some events will have two galleries - photos of your swimmer will more than likely appear in both of the galleries.)** If you have any trouble finding what you are looking for, please don't hesitate to send us an email.

Please feel free to share the link with family & friends. They will be able to view & purchase any of the photos.

If you are interested in having a customized poster designed of your swimmer, just send me a note or give me a call. For examples of these posters, please visit [www.impactathleticmedia.com](http://www.impactathleticmedia.com).

I'm available to answer any questions you have about the photos or posters – please feel free to email or call me. Thank you for your participation and we hope you and your swimmers enjoy the photos.
